

GATEWAY GATOR EARNS RARE PERFECT ACT SCORE

(MAY 2, 2023) GEORGETOWN, TX — Ian Craig, a junior at Gateway College Preparatory School, has earned a perfect ACT score.

About one-quarter of 1% of the more than one million students who take the test earn this distinction. The ACT consists of tests in English, mathematics, reading and science, each scored on a scale of 1-36.

“This is an amazing accomplishment,” said Donna LeJeune, Head of School at Gateway College Prep. “Ian is a model academic student who strives for excellence in all of his studies and we could not be more proud of him.”

The ACT is an exam to measure a high school student’s college readiness and many universities use the results to make admissions decisions.

With another year of high school to go, Ian still has time to decide his future plans; however, he has his sights set on Massachusetts Institute of Technology (MIT), majoring in Math with a focus on theoretical math.
