

Gateway College Prep Certified as AVID Schoolwide Site of Distinction

(APRIL 6, 2023) GEORGETOWN, TX — Gateway College Preparatory School was recently honored as having been certified as an AVID Schoolwide Site of Distinction. Advancement Via Individual Determination, otherwise known as “AVID”, is a college readiness system.

“This recognition represents the hard work of campus teachers, leaders, and staff to implement rigorous, engaging lessons and build a strong college-going culture for all students school wide,” said Carla Silber, superintendent of Orenda Charter School District.

An AVID Schoolwide Site of Distinction represents the highest level of AVID implementation demonstrating excellence in instructional practice and the promotion of college readiness school wide. To become an AVID Schoolwide Site of Distinction, 60 percent of teachers need to be certified as AVID Center-trained, school leadership must be actively involved in the workings of the AVID site team and AVID strategies must be routinely used across content areas.
